

**YOU'RE INVITED TO *Sibley's West* FOR A
BOOK SIGNING & READING WITH AUTHOR
IRONWOOD BREAST SURGEON DR. EDGAR HERNANDEZ**

From the author of *On the Border of a Dream*,
comes Dr. Hernandez's highly anticipated follow-up book...
Earth Angel with a Green Card!

This is the true story of the author's mother who spent her life in service to others, especially her eleven children. During her early life in rural Mexico, she experienced overwhelming obstacles and heartbreak. Her faith, hope, hard work, and, most of all, love allowed her family to triumph in the end. This story will inspire you to achieve your best life regardless of your circumstances.
